

Effective October 20, 2020

1. **Each person will be given a temperature check upon entering.** If temperature is 100.4 or more, they will not be allowed inside.
2. Parents staying to observe must wear face masks inside of the building. This will be enforced by Hardwood Palace staff.
3. All players will be assigned to a court by the I'm Possible Training Center Director. Players may only use the courts during their scheduled time. There are no open times for the courts being used for training. All use for ALL courts is scheduled directly with Hardwood Palace.
4. We are **STRONGLY ENCOURAGING** player drop off at this time. And ask parents, grandparents, siblings, etc. to remain outside unless ABSOLUTELY NECESSARY. We would like to limit the amount of people inside of the building.
5. **Players must bring their own basketball.**
6. PLEASE HAVE YOUR PLAYER BRING ADEQUATE WATER. There are water fountains inside Hardwood Palace but we advise against using them to help avoid the spread of germs
7. Players should bring their own sanitizer if possible. Hand sanitizer will be available on site during training as well.
8. Non-basketball gatherings at the courts are strictly prohibited. Activity or gatherings of any kind before or after training or "extra" training time is prohibited. There is no loitering at the gym before or after training.
9. No food should be brought to training and players should not share water bottles or other drinks at any time. Participation in I'm Possible Training is intended to provide a safe, socially distant physical fitness activity for players.
10. We hope to increase the number of players at training once it is permitted by local guidelines.

PARENT/PLAYER CONSIDERATIONS:

1. If possible, please avoid carpooling for the time being.
2. All players should take their temperature at home **before** leaving for any training. If their temperature is over 100.4 degrees, please stay home. If your players has been exposed to anyone with the virus, or feels any symptoms of illness including, but not limited to: temperature, cough, sore throat, sneezing, body aches, loss of sense of smell, difficulty breathing, or fatigue, please stay home.
3. All players are encouraged to use sanitizer immediately after training is over.
4. All players are encouraged to shower and change their clothes immediately after returning home from training.
